MEDICAL FACULTYUNIVERSITY HOSPITAL MAGDEBURG

EXPERIMENTAL OBSTETRICS AND GYNAECOLOGY

The Experimental Obstetrics and Gynaecology runs!!

At the 4th Firmenstaffellauf 18 teams of the Medical Faculty and the University Medical Center started on the 19th of July 2012 with 5 runners each. They run 2,5 km around Adolf-Mittag-See. Even though our teams did not win, it is fact all runners had a lot of fun and joint a sportfully evening together.
